Your Commitment, A Legacy in Motion

Behind every extraordinary National Ballet performance is a quiet act of leadership.

Over 70 individuals and their loved ones have made a thoughtful decision to create a named fund within the Endowment Foundation, as a permanent investment in the artists and art form they love.

They have stepped forward to strengthen the company's future, each expressing a personal commitment to excellence, opportunity and artistic ambition. Their generosity does more than sustain a performance season, it builds stability and momentum for generations.

Twenty-five years ago, a single \$100,000 gift launched the National Ballet Endowment Foundation. Today, the Endowment Foundation is valued at over \$125 million, thanks to the many donors who believed that the company deserved lasting support. Fund by fund, name by name, these champions have built an enduring source of support for the National Ballet's current and future artists.

Every fund delivers dependable annual support to the company, enabling bold new commissions, preserving cherished repertoire, nurturing emerging talent and giving the company the confidence to plan ambitiously.

By creating your named fund, you will join a community of visionary supporters who have taken an active role in securing the future of the National Ballet.

When you create a named fund:

- You honour the artistry that has shaped your experience.
- You sustain the company's strength today.
- You make certain its beauty endures for generations.

“We're immensely grateful to have found lifelong friends in the ballet community. Creating our fund is a special way to give back to the company that has given us so much.”

Your Legacy, Your Fund

Establishing your fund in The National Ballet of Canada Endowment Foundation is a special way to honour your legacy with the National Ballet or celebrate the memory of a loved one forever. Your generosity and thoughtfulness will ensure the National Ballet's continued vitality and excellence for generations to come.

With a gift of \$50,000 or more, we invite you to consider creating your own named fund in the Endowment Foundation. Your tax-deductible donation can be made through a gift of your choice: a gift of securities, a multi-year pledge or a legacy gift commitment.

Your Unrestricted Fund Creates Unlimited Opportunity

With a **gift of \$50,000 or more**, your unrestricted fund will support the highest priority needs of the National Ballet.

Most importantly, **unrestricted endowed funds offer flexibility to address the company's most pressing needs**. These funds empower the company's leaders to respond quickly to unexpected challenges, seize new opportunities and ensure that the National Ballet can continue to grow and thrive for generations to come.

Your Designated Fund Ensures Dedicated Support

With a gift of \$100,000 or more, you can designate your fund to support one of the five central funding priorities of the National Ballet, ensuring directed support to an area that is most meaningful to you.

- **Dancers** : You provide resources and opportunities to the artists who inspire all of us
- **New Creations** : You invest in the creativity and innovation of today's storytellers
- **Orchestra** : You ensure that live music remains a core value of the National Ballet
- **Education and Community Engagement** : You inspire children and students to explore their imagination and express themselves creatively through meaningful initiatives
- **Touring**: You enable the National Ballet to act as a cultural ambassador on the world stage

Your Specialized Restricted Fund

With a **gift of \$250,00 or more**, the Joan & Jerry Lozinski Artistic Director and the Executive Director of the National Ballet would be honoured to work with you to create a fund with a unique purpose to support the company.
